1. Applicant's arguments filed March 29, 2004 have been fully considered but they are not persuasive.

a. The applicant has taken out the word "logic" and replaced with "at least one processing unit". However, "at least one processing unit" is still directed to a single means (one processing unit) which is rejected under 35 USC 112, first paragraph as being subjected to an undue breath. The examiner has contacted the applicant's representative (Mr. Mark Farrell) on June 8, 2004 to resolve the issue. However, agreement was not reached.

b. In view of the new amendment, art rejections under Shum et al "Stereo Reconstruction from Multiperspective Panoramas" and Pearlman et al have been withdrawn.

2. Claims 23-33 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the enablement requirement. The claim(s) contains subject matter, which was not described in the specification in such a way as to enable one skilled in the art to which it pertains, or with which it is most nearly connected, to make and/or use the invention.

Claims 23-33 recite an apparatus claim comprising "logic" which is only means in the claims cover every conceivable means for achieving the stated purpose. Claims 23-33 are directed to a single means claims which are rejected under 35 USC 112, first paragraph as being subjected to an undue breath (see MPEP 2164.08), In re Hyatt, 708 F.2d 712, 714-715, 218 USPQ 195, 197 (Fed. Cir. 1983).

3. Claims 1-22 are allowed.

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
